FRONTEND WEB DEVELOPER

Web Designer/Developer

Caples Web Design — *Remote*

April 2018 - PRESENT

I enhanced WordPress websites for clients, migrated sites to WordPress, redesigned page layouts, and employed SEO best practices to improve search engine rankings.

Web Content Specialist

Mercy Multiplied America — *Nashville, Tennessee*

April 2018 - December 2019

I maintained WordPress website code and content, designed page layouts, optimized for search engines, and managed digital ads.

- Designed and developed new WordPress content directories for mercymultiplied.com
- Designed page layouts, redesigned the WordPress theme
- Created and maintained event registration pages and donation forms with Luminate Online
- Trained and mentored the project manager to transition into email development

Digital Marketing Specialist

Columbia Coatings, LLC — *Columbia, Tennessee*

June 2017 - February 2018

I managed all email marketing, created website content, designed marketing graphics, and trained new associates for phone sales.

- Managed concept, design, and implementation of weekly email newsletter
- Retouched product photos and managed 4,000+ ecommerce products and general website performance

Director of Client Communications, Deering Wealth Team

Southwestern Investment Group — *Franklin, Tennessee*

January 2016 - June 2017

I designed and launched a new WordPress website, wrote for the financial blog, coordinated client events, managed social media, and designed business collateral.

- Migrated content from Squarespace to WordPress
- Wrote and designed email communications, event collateral, website content, and blog posts

Marketing Director

Batson Chiropractic Group — *Nashville, Tennessee*

August 2013 - January 2016

Wrote for blogs and the print newsletter, managed social media, and designed marketing collateral, among other duties.

- Launched nashvillebraincore.com and created its content
- Automated the new patient intake process, avoiding human error and time costs during intake
- Wrote wellness articles for blogs, newsletters, and other media
- Designed marketing collateral, including website content, direct mail, newsletters, signage, email graphics, ads, etc.
